### **JUNE 9TH, 10TH & 11TH - CHAPTER CAMP**

What do you get out of coming to the Chapter Camp?

One of the proven methods to improve your officiating skills is to participate in an officiating camp where off and on court instruction is provided that includes oral, written, visual evaluation and film breakdown. On June 9th, 10th and 11th, our Chapter will provide members with an opportunity to become a better official; an official who has greater knowledge, confidence and skill which in turns makes the member more in demand as a Referee. The past several years, the Board of Directors have chosen to not have an expensive registration camp fee, as compared to other officiating camps, in part to encourage as many local Chapter officials to participate in improving their level of officiating.

**Please mark your calendar and make plans to attend!** More camp information will be provided in the coming weeks.
