Click Start Video for the module you wish to view, fill out the guestbook and click play to continue to advance through each module. To stop click the X in the upper right corner of the frame. **It is recommended NOT to use Safari browser, there are known issues that prohibit completion, Edge, Chrome, and Firefox browsers work well, Safari does not work well and using it is at your own risk.**

To become eligible to work varsity, **new officials** can either complete the 8 online modules or attend an In-Person Regional Clinic or have attended the TASO Basketball Annual Meeting.

Renewal members to become eligible to work all levels of contests can; **1) complete the 8 modules, 2) attend an In-Person Regional Clinic, or 3) attended the TASO Basketball Annual Meeting to meet your Education Requirement for this season.** **When a module is completed, the box next to that module will be checked. If it is NOT checked one or both audio and slides viewed thresholds have not been met.**

If you attended an In-Person or Virtual Annual Meeting for the required amount of time you will not be required to complete the Online Clinic(s) but you may review for educational purposes.
